ORANGE TOUCH.

ARTICLE BY FILIPPO CIRULLI ON WEDNESDAY AUGUST 13TH, 2014 | FILIPPO CIRULLI, OUTFIT

Good morning!

The summer looks series keeps going on: no jacket, neither tie, but these are casual outfits where the attention should be paid to accessories and details. In this case is the Badura bag orange touch together with the Superga crocodile sneakers that give personality to the whole look.

What do you think about it?

Have a good day!
